

BUCKLAND

HEALTHY HOMES

PROJECT

Let's make homes healthier in Buckland!

WHAT IS THIS?

The Native Village of Buckland has received funding from the HUD Healthy Homes Program to conduct minor rehabilitation activities in up to 30 homes. Project staff will survey the residences of applicants, then make a remediation plan to **fix as many issues in as many houses as possible**.

WHAT DOES IT COST?

There is NO COST to participate, although there is a maximum income to qualify. Apply by June 3rd to help us make our community healthier!
